Dear Sir

REQUEST FOR TRADING HALT: MXR

The Directors of Maximus Resources Limited request the ASX grant an immediate trading halt to the company securities (ASX code: MXR), pending an announcement as soon as possible regarding a gravity survey on the Peeweena Dam tenement in South Australia. The Company will remain in pre-open until the earlier of the commencement of normal trading on Wednesday 6 February 2013 or when the announcement is released to the market.

The Directors confirm that there are no reasons as to why this should not be granted by the ASX.

Yours faithfully
