Maximus Resources Limited (ASX: MXR) (the Company or Maximus) has been advised by the Australian Taxation Office (ATO) that its application to participate in the EDI in respect of the financial year ended 30 June 2017 has been accepted.

The EDI Scheme enables eligible exploration companies that are active greenfield explorers, to create exploration credits to pass on to shareholders by foregoing a portion of the corresponding carried forward taxation losses. The tax losses must have arisen from the undertaking of allowable expenditure on greenfields exploration.

Australian resident shareholders that are issued with EDI Credits will generally be entitled to refundable tax offsets (for individual shareholders or superannuation funds) or franking credits (for companies). Non-residents receiving EDI credits will not be able to use them.
